

# NEWTOWN ROTARY CLUB.

CHARTERED FEBRUARY 1939:

**70 YEARS OF SERVICE.**

SPONSOR: BRIDGEPORT ROTARY

BULLETIN #63 SEPTEMBER 18, 2009

Club Assembly Part 2 concluded our August meetings, but it was also a celebration night, Skip Roberts celebrated his wedding anniversary, did I hear 55<sup>th</sup>? Whatever congratulations to Skip and Jean!

We also congratulated Jim MacNaughton on achieving his second sapphire as a Paul Harris Fellow. Jim is one of our longest serving members, next year he will have been a Rotarian for 30 years. Well done Jim!

48 years ago Newtown Rotary was instrumental in starting the Town's Labor Day Parade. The Club's float this year was probably one of the most significant for many years; it depicted the memorial created by the 2008/9 Rotary Youth Exchange students in memory of their colleagues tragically killed in cross fire outside of a Seattle night Club, the flags of the countries represented are posted against replicas of young people holding hands, across the world's borders.

President Bill Calderara rides in style in a classic Rolls Royce Silver Cloud. A class car with classic reliability, just like Newtown Rotary!

While the President rode in the 'Roller' the workers served the crowds, our traditional Food Tent on the Pleasance did a roaring trade, dogs burgers sandwiches, doughnuts were crowd pullers! Well done the cooks and waiters!

After months of hard work Golf Committee chairman John Trentacosta finally got to play golf. A wonderful day for playing and well organized as an event, making for a successful fundraiser, the Club's main such event. A great Team effort with committee and club members turning out in strength to insure the successful all round day.

After golf it was the dinner and the Chairman's working hard again, here thanking major sponsor; Susan White from the Osborn family, she also got a prize!

A beautiful day, the workers have done their job, so where are the golfers? 128 turned up to make for a great day!

President Bill welcomes the guests; thanks the committee and does the Rotary Commercial, certainly the day showed what Rotary is at its best.
