

Rotary Club of Newtown Newsletter

Bulletin #93
January 25, 2012

Note From the Editor- As many of you may have noticed, this newsletter has not been published for a number of months. In re-starting it, we recognized that since the start of the current school year, all of the students of the month and their families have been told that there would be recognition in this newsletter. We are, therefore, making this a special issue dedicated to recognizing those students for their achievements.
